Thank you so much for the follow up. I spoke to the older gentleman with the hard hat on (Jeff) who promised me that they would move across the street on the other side of LaBrea no later than today.

Did a follow-up as request, spoke with Jeffrey and he was warned and advice of violation (blocking side walk and loitering) he stated he will be moving asap just to give him a few minutes. We will be doing follow ups at this location. I will advise when subject subject relocates.
